

## Our Future

Our future vision includes building on our success and expertise, and taking bold steps toward creating opportunities and environments for willing homeless youth to receive the necessary support to transition from the streets into living meaningful, productive lives. To realize these goals, we need you as a critical member of our support team, to help homeless youth experience "home";

"Your efforts are truly appreciated. Your support provides hot meals and the resources for special outings and retreats. Your donated clothing gives warmth and comfort. You offer help and encouragement; all towards the end goal of building hope."

— Gary Gorsuch, Executive Director
